

This is my second article on Pope Francis as being the Antichrist pope. My first article and video online about 2 years ago is entitled, "Pope Francis: the Antipope of History?" I used a question mark at that time, because I was exploring the possibility that he was an anti-pope, but now I'm definitely sure that he is.

I feel that it is my duty as a Catholic to warn the whole world that Francis is an invalid pope, that Benedict was forced out against his will, even though he protests that he did this "in full freedom." Yet the fact remains that there is ample proof of his ouster. Archbishop Luigi Negri [now retired] of the

**Francis: A Communist Anti-pope**

"The Brown Bear [Russia] will manipulate the White Bear [Anti-Pope Francis]. Therefore, you must not permit the White Bear to take over the Seat of Peter by the assassination of John Paul II." - Our Lady at Bayside Vigil, December 24, 1979

archdiocese of Ferrara-Comacchio, a friend of Pope Benedict, who has visited him "several times" since his resignation in February 2013, claims that Benedict resigned under "extreme pressure."

There is a group of bishops and cardinals that had been meeting secretly since 1996 in the small cathedral town of Sankt-Gallen, Switzerland, to oppose the election of Cardinal Ratzinger to the papacy, and to throw its support behind Cardinal Jorge Bergoglio, who wished to "modernize" the Church, just as they did. By "modernize," they meant to change Church teaching on such things as abortion and homosexuality, to allow Holy Communion administered to couples after divorce and remarriage outside the Church, etc; the first two are both sins crying to Heaven for vengeance, and condemned by the Church for two thousand years. Some of the members were Cardinals Carlo Maria Martini and Achille Silvestrini from Italy, Walter Kasper and Karl Lehmann from Germany, Cardinal Godfried Danneels from Belgium and the Dutch Cardinal Adriaan van Luyn as well as Basil Hume from England. Cardinal Godfried Danneels says they openly call themselves "the Mafia," and are proud of that name.

Here are just a few the most outrageous errors and heretical sayings of "Pope" Francis:

On May 22, 2013, Francis said atheists who do good are redeemed, so you don't have to believe in God to be saved.

On June 15, 2013, when we sin, "we look for Jesus Christ and say: 'This is your sin, and I will sin again.' And Jesus likes that, because it was his mission; to become the sinner for us."<sup>1</sup> He, like Martin Luther, encourages people to sin.

On September 11, 2013, Francis appears to say the Virgin Mary had 'defects', "The Church and the Virgin

Mary are mothers... All mothers have defects, we all have defects, but when we speak of our mother's defects we gloss over them.”<sup>2</sup> [This is a denial of the Church's doctrine of perpetual sinlessness of the Virgin Mary.]

On October 1, 2013, Francis said: "proselytism is solemn nonsense, it makes no sense whatsoever."<sup>3</sup> [This contradicts what Jesus said about "Go forward, making disciples of all nations."]

On the same date, he said, "The most serious of the evils that afflict the world these days are youth unemployment and the loneliness of the old." [Oh, really! What about actually committing mortal sins?]

On November 24, 2013, Francis on Muslims – “We must never forget that they profess to hold the faith of Abraham, and together with us they adore the one, merciful God, who will judge humanity on the last day.”<sup>4</sup> (VATICAN.VA) [The Catholic Church considers the Muslim Faith as a false religion.]

On October 27, 2014, Francis<sup>5</sup> Said Evolution, Big Bang Are Real, saying “God is not a *divine being or a magician*, but the Creator who brought everything to life...Evolution in nature is not inconsistent with the notion of creation, because evolution requires the creation of beings that evolve.” (Taken from USA TODAY) [Oh, by the way, evolution is condemned by the Church: mankind was immediately created by God from the dust of the earth.]

#### Francis the Buffoon Anti-pope

Anti-Pope Francis donning the regalia of a pope-buffoon, which actually speaks volumes of the true nature of his papal reign: that he is not to be taken seriously as a pope.

On March 15, 2015, Francis<sup>6</sup>, when asked 'What happens to that lost soul? Will it be punished?' replied “there is no punishment, but the annihilation of that soul. All the others will participate in the beatitude of living in the presence of the Father. The souls that are annihilated will not take part in that banquet; with the death of the body their journey is finished.” (Taken from LA REPUBBLICA) [This is a formal denial of the everlasting fires of hell as eternal punishment for damned souls. I could go on and on with all his errors and heretical statements but that should give you a general idea that he certainly is not a Catholic.]

I have been meaning to do another video and article for months now, but I have not had the time to do so, nor a direct sign from Heaven to do it. For the last several days, I have been asking God for a direct

sign from Heaven if I am called to do this.

Well, I believe I got my sign today. An acquaintance that I speak with regularly on Sundays after the Latin Mass when we gather for coffee and snacks, presented me with a medal of St. Francis, along with a prayer to him, which he obtained directly from the Basilica of St. Francis in Assisi. He said to me that being my name is Frank (the modern equivalent of Francis, as in St. Francis), he felt that I should have the medal. The other gentleman sharing our conversation piped up: "Yeah, like Pope Francis!" That's when I exclaimed that Pope Francis is not a pope, but an antipope. It is at that moment that I realized that God was giving me the direct sign that I had been asking for. It was like a confirmation of his antipope prophecy. Later, when I got home and I was thinking about the direct sign from Heaven, the thought came to me that Our Lady in Her messages at Bayside, New York, had said that, "The laity must go forward to save Her Son's Church." This is a second sign from God to expose the Antipope in the Vatican.

St. Francis, as far as I know, only gave one prophecy, and is the only person who predicted a future non-canonically elected Pope:

Shortly before his death, St. Francis of Assisi called together the friars of his Order and detailed a prophecy of what was to come upon the Church in the latter days.<sup>7</sup>

#### **St. Francis of Assisi**

St. Francis of Assisi predicted a man, non-canonically elected, will be raised to the Pontificate

"The time is fast approaching in which there will be great trials and afflictions; perplexities and dissensions, both spiritual and temporal, will abound; the charity of many will grow cold, and the malice of the wicked will increase.

"The devils will have unusual power, the immaculate purity of our Order, and of others, will be so much obscured that there will be very few Christians who will obey the true Sovereign Pontiff [Benedict XVI] and the Roman Church with loyal hearts and perfect charity. At the time of this tribulation a man, not canonically elected, will be raised to the Pontificate, who, by his cunning, will endeavor to draw many into error and death.

“Then scandals will be multiplied, our Order will be divided, and many others will be entirely destroyed, because they will consent to error instead of opposing it.

“There will be such diversity of opinions and schisms among the people, the religious and the clergy, that, except those days were shortened, according to the words of the Gospel, even the elect would be led into error, were they not specially guided, amid such great confusion, by the immense mercy of God.

“Then our Rule and manner of life will be violently opposed by some, and terrible trials will come upon us. [Franciscans of the Immaculate] Those who are found faithful will receive the crown of life; but woe to those who, trusting solely in their Order, shall fall into tepidity, for they will not be able to support the temptations permitted for the proving of the elect.

“Those who persevere in their fervor and adhere to virtue with love and zeal for the truth, will suffer injuries and persecutions as rebels and schismatics; for their persecutors, urged on by the evil spirits, will say they are rendering a great service to God by destroying such ‘pestilent men’ from the face of the earth. But the Lord will be the refuge of the afflicted, and will save all who trust in Him. And in order to be like their Head [Christ], these, the elect, will act with confidence, and by their death will purchase for themselves eternal life; choosing to obey God rather than man, they will fear nothing, and they will prefer to perish rather than consent to falsehood and perfidy.

“Some preachers will keep silence about the truth, and others will trample it under foot and deny it. Sanctity of life will be held in derision even by those who outwardly profess it, for in those days Jesus Christ will send them not a true pastor, but a destroyer.”

I went on to tell them that Benedict XVI is still the one true pope, the reason being that his life was threatened by a clique of cardinals and bishops about a year before his abdication. I remember reading in the newspapers that Cardinal Paolo Romeo, the archbishop of Palermo visiting China at the time, claimed there was a plot in the Vatican to kill him. He was given at most a year to live, according to the Cardinal.

Apparently, this warning was delivered by Cardinal Castrillon Hoyos, Prefect of the Congregation for the Clergy, to Pope Benedict and to his secretary Archbishop Georg Gänswein in a letter written in German to keep others from knowing about the threat.

**Veronica Lueken, the seer of Bayside**

Now I would like you to know how an anti-pope [Francis, in this case] was announced in Our Lady's Messages and Apparitions to the seer Veronica Lueken from 1970 to 1994 at Bayside, a subdivision of Queens, one of the 5 boroughs of the city of New York. The plot by the liberal Cardinals to place an anti-pope on the seat of Peter was one of the main themes of the Virgin Mary's messages from 1972 onward. I would like to give you some of the

quotes from these messages as early as 1972, given by St. Thomas Aquinas who appeared to Veronica the seer at the Vigil.

On August 21, 1972, St. Thomas said: "Unless you listen now to my words of caution, you will fall into the trap that is being set for you. The enemy is within the House of God. He will seek to remove your Vicar from among you, and when he does he will place **a man of dark secrets [the anti-pope]** upon the seat of Peter." [Note from Veronica: He means the third demon loosed in 1972 for special mission--to enter the Mystical Body of Christ.]

On September 9, 1972, Our Lady delivered this message: "Those in My Son's House now receive final warning that they will not remove Our Vicar from the holy House of God. For to do so will set in motion the advent of the **anti-pope** into your House. You will not defile My Son in this manner.

On March 18, 1972, St. Pius X said: "But **one [the anti-pope]** will be entered into the House of God, and woe to man when he places him upon the Seat of Peter, for then the great Day of the Lord shall be at hand."

On May 30, 1974, St. Peter said this: "Defend your Vicar from those who seek to dethrone him and place upon the Seat of Peter one who is **of dark secrets, an enemy agent from the abyss.**"

On September 7, 1977, Our Lady said: Pray for your bishops! Pray for your cardinals, and pray for the Holy Father in Rome, who is under great attack. His constitution, his physical constitution, cannot stand much longer. My children, it will be the greatest of trials to you when he is removed, for you will have in Rome then a full capitulation to **an antichrist pope.**

On the 14th of April, 1973, a demon from hell said: "I will sit upon the throne of Peter, and I will destroy the Church of God!"

On August 5, 1972, St. Peter said: "You will not set up the machinery for the entrance of **satan's agent** onto the Seat of Peter, for when you do you have reached the beginning of the end!"

On July 1, 1973, Our Lady said: "You must warn your Vicar: he must not leave Rome. The Seat of Peter must not be vacated, for the **one of dark secrets** will enter upon it. There is a plan for the removal of your Vicar. He must not leave Rome. Demon four ... demon five to enter Rome."

On April 10, 1976, Our Lady said: "You must join with other voice-boxes of the world in defense of your Vicar, your Holy Father upon earth, or you will all shed tears of great sorrow when they remove him from among you and seat upon the throne of Peter **one who is an antipope, a man of dark secrets.**

On June 18, 1978, Our Lady said: "Lucifer and his agents now are working with diligence and are most successful at this moment in their striving to topple the Seat of Peter and to place in Rome **a pope that is the anti-pope of history.**"

On August 19, 1978, Our Lady said: "I hear, My children, voices asking in supplication: 'And who shall be seated upon the Seat of Peter?' At the present time, My children, I give you this counsel: that an

antipope is being deliberated upon."

Our Lady on the coming antipope as one possessed by the devil– "He will be covered as a sheep with robes of purity, but look into his heart, My child..."

#### **Devil Shadow of Anti-pope Francis**

Anti-pope Francis' shadow morphs into a devil. Veronica sees in her vision at the April 14, 1973 Vigil, a demon entering into the body of the anti-pope.

Veronica – Oh, I see a horrible, black-looking, ugly thing that was down there in the...in the pit. It's inside of this man who...outside he looks--he looks holy and human; but he's actually one of those

things--he's actually a creature of hell. – Our Lady, April 13, 1974

Well, that is enough proof for now. What I want to do now is to invite others who are interested in joining me "to form a battering ram to break open the doors of the Vatican, figuratively speaking, and denounce this total fraud masquerading as a pope removed from the Seat of Peter. We must pressure the high clergy to call a council to do what has to done to correct this dire state of affairs in the Church of Rome. Benedict XVI's resignation is invalid. He needs to be supported and helped to return to his real position of Vicar of Christ and Supreme Pontiff of the Universal Catholic Church.
